What is CLI?

The Christian Leadership Institute, now in its 28th year, is a six-day leadership training experience for high school age youth. CLI seeks to foster the leadership potential of our young Church by heightening each person's gifts and talents for various ministerial roles and responsibilities in their parishes, schools, and greater communities. CLI is NOT a retreat experience.

CLI candidates engrossed in one of many workshops.

Graduates of the CLI program have become catechists, peer ministers, and have helped organize the annual Diocesan Youth Convention

which will be held in March 2018. CLI has become one of the greatest and most memorable events in the lives of our young people.

"I found CLI to be an incredible week of learning, fun, and prayer. Along with discovering new ways to be a good leader, I developed close relationships with other youth like me and grew closer in my relationship with God. I am so thankful for the experience I had and I want others to be able to earn from it too."

Due to sleeping accommodations at Cathedral Camp, CLI is limited to 50 participants.

Who should participate?

Candidates for CLI should exhibit some leadership potential. Teens who are willing to make a commitment to their parishes, schools, communities, and diocese are encouraged to enroll in CLI. Maturity, openness, the ability to work with peers and adults, good communication skills, and a sense of faith should be considered when discerning whether or not to become a part of CLI. Keep in mind that teens do not have to excel in these areas as CLI will help them build these necessary skills.

"We had three young people attend CLI last summer. It has produced wonderful results. All three are very involved in our parish!"

Fr. Edward Correia

A rewarding week!

Previous CLI participants agree that this experience defies description. It is an experience to be lived.

CLI begins on **SATURDAY, JUNE 24TH AT 12:30PM** and the week is packed with learning, prayer, affirmation, and even fun! Some daily sessions focus on the art of leadership, communication skills, leadership styles, group dynamics, and planning skills. Other sessions explore various aspects of Catholic Christian discipleship and how it is embodied through prayer & liturgy, moral decision making, sacramental living and service. Participants are challenged to use their skills and talents in planning sessions for specific portions of the daily program such as morning wake-up, prayer, liturgy, and evening socials. Despite this full schedule, there is still time for relaxation & recreation on the grounds of Cathedral Camp. CLI concludes with a closing service on **THURSDAY, JUNE 29TH AT 3:30PM!**
