Kyle has seen every episode of "Saved by the Bell," knows half the "Spongebob Squarepants" theme in Spanish. Jon knows how to say "Monkey" in 10 different languages if you count pig latin and he's confident he can throw a Frisbee farther with his toes than you can with your hand. Together, they play three instruments, have 15 siblings, and are excited to share their music, comedy, skits and other shenanigans with the great people of the Diocese of Fall River.

Kyle & Jon will have CD's, T-shirts and other merchandise on sale.
