Brief History of the YES! Retreat...

In 2007, the YES! Retreat program celebrated 15 years in the Diocese of Fall River.

Now entering its nineteenth year, the YES! Retreat has continuously provided high school youth with the opportunity to grow closer in their relationship with

Jesus Christ.

The Yes! Retreat program was developed to meet the needs of Youth Ministry programs within the diocese by providing young people, who are seeking a closer relationship with God, an opportunity to encounter God through the sharing of the sacraments, fellowship, a study of themselves and their relationships with others in community.

Participants share after an activity.

What to expect on the weekend...

The weekend is intended to be a blend of study and fun, as participants pray, listen, discuss, sleep, eat, sing and share in the warm and growing atmosphere of a family of faith.

The weekend experience allows young people to affirm their confirmation vows. To say "YES" to all that God seeks for and from them; to return to their communities with renewed conviction, empowered to bring Christ to others. The commitment to a YES! weekend, is a commitment to their own community. The YES! program reminds and encourages young people that their call in life is to bring others to Christ within their own environments.

Who can attend? What's the cost?

High school youth in grades 9-12 are invited to participate. It is preferred that participants have already received the sacrament of Confirmation, however exceptions can be made for high school youth receiving Confirmation this year. For exceptions, please contact the Office of Faith Formation at (508)678-2828.
